CCH Research Password Available to Use in Your Office

Need to research an employment law, environmental law, or health care law issue, but there is not enough time to come into the library? Do the research on any computer with Internet access with a CCH Intelli-connect password from the law library. The sources can be used twenty-four hours a day, seven days a week.

The passwords check out for two weeks and can be renewed for an additional two

weeks as long as no one else is waiting to use a password.

The *Federal Securities Law Reporter* was recently added as a title that is available through the service. For a complete list of titles on the library's Intelli-Connect subscription or to request a password, call (330) 451-7380 or email: inform@starklawlibrary.org
